*Petition to the House of Commons in Parliament assembled, WHEREAS*

Canadians want a commitment that the Canadian government will uphold citizen rights and freedoms.

- Given that by legal definition, a religious belief is any held belief for, against, or in conjunction with, any theistic, agnostic, or atheistic assumption, presumption or position regardless of whether or not the belief is endorsed by any other person or public or private entity;
- Given the actions of the government's dealings with lockdowns, medical procedures, travel restrictions and their complete failure to uphold Canadians rights and freedoms by pushing Chinese style dictates – the LGBTQ2+ religious belief system is also being pushed and promoted by the government;
- Given that according to Statistics Canada, in 2023 LGBTQ2+ represents only 4% of the population of Canada – the vast amount 96% of Canadians are comprised of heterosexual singles and families with children;
- Given that Canadians have the choice of religious belief or spiritual determination and this is a right as stated in the Charter of Rights and Freedoms and the Canadian Bill of Rights;
- Given that the LGBTQ2+ agenda is an attack on the family unit and the traditional social structure of Canadian society in an attempt to destabilize, demoralize and ultimately depopulate;
- Given that Transhumanism and Transgenderism is a key phrase referring to Agenda produced by the private foreign corporate groups like The World Economic Forum and the United Nations;
- Given that the government of Canada has been infiltrated by members of foreign entities such as the World Economic Forum and are pushing a UN ( United Nations ) foreign private corporate agenda to set up an unelected fascist New World Order;
- The belief of Transhumanists that Human transcendence can only be achieved by subverting natural biology to create androgynous humans is a radical, extremist and misogynistic ideal which Canadians reject completely;
- Head of the WEF, Klaus Schwab and author of the book "Covid-19: The Great Reset" writes about this private foreign corporate plan that is being adopted by the Canadian government without Canadian's knowledge, consent nor consensus;
- The UN through factions such as The World Economic Forum have developed plans on how to implement Agenda21, Agenda2030, Agenda2050, etc - these goals as seen in Klaus Schwab's book – which involve the use of Fabian Socialist targeting of social norms to create a non-inclusive society lacking in diversity;
- Scenarios for the Future of Technology and International Development, written in 2010 by the Rockefeller Foundation, page 18 Lock Step – depicts a depopulation emergency resulting in fascist New World Order control;
- The lack of a non-sectarian and non-partisan approach in the conduct of the government and especially educational standards is lending itself instead to conduct that is radicalized political or religious in nature and which proselytize;
- Canadians want a commitment from the Canadian government that they will not be used as a force to install a New World Order style dictatorship at the behest of a foreign corporate infiltrated Canadian bureaucracy;
- Canadians are not willing to hand over our sovereignty, rights and freedoms to foreign interests – regardless of any such government agenda;
- Canadian Citizens want a public statement from the Government of Canada, that Canada will uphold the rights and freedoms of Canadians regardless of any foreign agenda forthright;

*We, the undersigned citizens and residents of Canada call upon the House of Commons and the Senate to:*

- 1. Desist implementing the private foreign corporate UN, WEF, Klaus Schwab Great Reset in Canada;*
- 2. Call upon the **Government of Canada**, to publicly commit to uphold The Charter of Rights and Freedoms and the Canadian Bill of Rights;*
- 3. Call upon all **Members of Parliament** to follow Canadian Law and represent your Constituents instead of foreign corporate private interest;*

*Canadians feel our government has been following a foreign corporate unconstitutional agenda and demand the laws of Canada be followed instead.*

*Dated this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.*
